Commissioner for Patents
Washington, D.C. 20231

Re: U.S. Patent No.: 6,487,725
Issued: December 3, 2002
Inventor: Omar P. Jordan
Our Docket: 33400

Sir/Madam:

A Certificate of Correction under 35 U.S.C. 254 is hereby requested to correct Patent Office printing errors in the above-identified patent. Enclosed herewith is a proposed Certificate of Correction (Form No. PTO-1050) for consideration.

Corrections requested are based on the enclosed copy of the preliminary amendment submitted to the U.S. Patent Office on July 25, 2001, and received at the Patent Office on July 17, 2001. It is requested that the Certificate of Correction be completed and mailed at an early date to the undersigned attorney of record. The proposed corrections are obvious ones and do not in any way change the sense of the application.

We understand that a check is not required since the errors were on the part of the Patent and Trademark Office in printing the patent.

Very truly yours,

Michael W. Garvey
